AGENDA ITEM SUMMARY REPORT

Tipsy Taxi Reimbursement

ACTION TO BE TAKEN: Provide Staff with direction on the possibility of increasing the dollar amount paid to License Taxi Holders for the Tippy Taxi Program.

SUMMARY OF INFORMATION: The Tippy Taxi Program was established in 2011 and the fee of \$7.00 per ride was established for the amount to pay the Licensed Taxi Holders that participated in the program. A voucher system was created for tracking the number of rides and submission for payment. The first couple of years the City solicited from Liquor License Holders and other entities to raise funds for this program. In July of 2013 the City adopted an Ordinance with included a portion of the liquor license fees to be allocated to this program, however the rate of pay for the rides did not change. The program continues to provide an average range of 60-90 rides per month depending on the time of year and vouchers paid out has not exceeded the funding allocated in the budget annually.

In reviewing the average mileage per ride this again ranges from ½ to ¾ mile, currently no rides exceeding two miles. In polling the licensed holders their normal fee is \$8 or \$9 for an average of \$8.50 Staff is recommending Council consider \$10 per ride be considered to not only cover their normal fee but also an incentive to continue to participate in this valuable program

FISCAL IMPACT Based on current budget allocations and ridership this would not impact the budget negatively

ALTERNATIVES

1. Raise the reimbursement to \$10
2. Raise the reimbursement to another amount
3. Leave the reimbursement amount at the current \$7
